Max Gluskin House, 150 St George St, Toronto, ON M5S 3G7

RESEARCH INTERESTS

Macroeconomics, Macroeconometrics, Financial Economics

EDUCATION

- **University of Toronto**, Ph.D. in Economics 2025 - present
- **Sharif University of Technology**, M.Sc. in Economics 2023 - 2025

  Advisor: Prof. M.H. Rahmati
- **Sharif University of Technology**, B.Sc. in Electrical Engineering 2018 - 2023

  Focus: Control Theory and Signal Processing

WORKING PAPERS

- *Examining the Effect of Structural Shocks from Central Bank Interventions, Exchange Rate Expectations, and Global Gold Prices on the Overpricing of Gold Coins (with M.H. Rahmati) [In Farsi].* M.Sc. Thesis, Sharif University of Technology, 2023–2025.

WORK IN PROGRESS

- *Not All Sanction Are Alike: A Structural Model of Oil Sanctions and Dark Shipping*

OTHER RESEARCH EXPERIENCE

- *Finite-time Optimal Combination Therapy for HIV*, B.Sc. Thesis, 2021-2022, Supervisor: Prof. M. Babazadeh, Dynamical Systems, Convex Optimization

TEACHING EXPERIENCE

- **Teaching Assistant** **2025-present**
  Department of Economics, Uof T **Toronto, Ontario**
  Courses: ECO1100 (MFE), ECO325, ECO202, ECO220
- **Teaching Assistant** **2024-2025**
  Graduate School of Management and Economics, SUT **Tehran, Iran**
  Courses: Macroeconomics I (MA), Economics for Managers (MBA)
- **Teaching Assistant** **2021-2024**
  Department of Electrical Engineering, SUT **Tehran, Iran**
  Courses: Convex Optimization I, Linear Algebra, Signals and Systems, Communication Systems, Electrical Circuits and Lab, Fundamentals of Electrical Engineering

PROFESSIONAL WORK EXPERIENCE

- **Signal Processing Engineer** **2023-2024**
  isense co. **Tehran, Iran**

- **R&D Intern** **Summer 2022**
  Durali System Design and Automation (DSDA) **Tehran, Iran**
  Worked on an AI based automatic pellet detection system

AWARDS AND GRANTS

- University of Toronto Doctoral Fellowship ($32,000 / year for 5 years)

SKILLS AND LANGUAGES

- **Programming:** Python, MATLAB, Stata, C
- **Software:** LaTeX, Jira, CVX, Simulink, Microsoft Office
- **Languages:** English (fluent), Farsi (Native), French (basic), Arabic (basic)
